But this is not to be so with you; on the contrary, let him who is the greatest among you become like the youngest, and him who is the chief and leader like one who serves.

~ Luke 22:25-26 ~

We cannot all do great things, but we can do small things with great love.

~ Mother Teresa ~

Love, not money, is the heart of work.

~ Robert Holden, PhD ~

Love is always bestowed as a gift – freely, willingly, and without expectation. It is offered even when not acknowledged or appreciated. We don't love to be loved, we love to love.

~ Leo Buscaglia, PhD, affectionately known as "Dr. Love" ~

Eventually, you will come to understand that love heals everything, and love is all there is.

~ Gary Zukav ~

Many people spend their lives looking for love instead of recognizing that love is where they are coming from. They don't believe that giving themselves the love they need and sharing it with others are more valuable than getting love. When you give love to yourself and others without calculation or expectation of anything in return, you experience feelings of joy, love, confidence, and trust in your life. Giving is then truly the expression of love.

~ Rosalene Glickman, PhD ~

...in the final call, love is the goal, love is the reason, and love is the whole point of everything.

~ Robert Holden, PhD ~

For me, love is not just an emotion. Love is an intention. Love is a purpose. Love is our true power. It is what inspires us and what evolves us.

~ Robert Holden, PhD ~

Hatred does not cease by hatred, but only by love; this is the eternal rule.

~ Buddha ~

If you concentrate on giving love, your task will seem small but the results large; if you concentrate on getting love, your task will seem large and the results small.

~ Robert Fulghum ~

As we serve others consciously, we create a paradise on earth, and a paradise in our lives. And that is happiness, something that we found along the way and, yet, something we were never seeking.

~ Lynne McTaggart ~

Love is a state of Being. Your love is not outside; it is deep within you. You can never lose it, and it cannot leave you. It is not dependent on some other body, some external form... What is love? To feel the presence of that One Life deep within yourself and within all creatures. To be it. Therefore, all love is the love of God.

~ Eckart Tolle ~

There is one great all-embracing Law which is the foundation and cause of the universe, the Law of Love.

~ James Allen ~

Your purpose will only be found in service to others; and in being connected to something far greater than your body/mind/ego.

~ Wayne Dyer ~

Love is the affinity which links and draws together the elements of the world... Love, in fact, is the agent of universal synthesis.

~ Pierre Teilhard de Chardin ~

Love is patient; love is kind. Love is not jealous, it does not put on airs, it is not snobbish. Love is never rude, it is not self-seeking, it is not prone to anger; neither does it brood over injuries. Love does not rejoice in what is wrong but rejoices with the truth. There is no limit to love's forbearance, to its trust, its hope, its power to endure. Love never fails... There are in the end three things that last: faith, hope, and love, and the greatest of these is love.

~ 1 Corinthians, 13: 4-13 ~
